Department of Water Resources

Dear Mr Cissell,

I, Kenneth R Pecora, having been in the Bear, Idaho area since 1948 and the owner of said property known as the SK Ranch since 1964 and having irrigated said property from the Bear Creek Community Ditch from that date and from having been a board member of the Bear Creek Community Ditch for over 41 years and having served as Chairman of that board for over 5 years, I have a good knowledge of the history of the water claim by being around the early pioneers of the Community of Bear, Idaho and the present owners of water claims. I have copies of all the water claims dating back to 1901 on the Bear Creek Community Ditch. I have studied and looked up the history of the early pioneers in the Bear Creek area, Charles Warner, Joe Warner Sr., Lawrence Warner, Burt Warner, Clarence Warner, Bud McWayne, Joe Warner Jr., the Smith family, the Sheelton family, and the Kampester family, all early pioneers that built the Bear Creek Community Ditch in 1901.

I am submitting this as my own testimony in the form of an affidavit, supporting this as proof of the priority date claimed, and the historic use of the water.

Sincerely,
Kenneth R Pecora

69-4024

I, Kurt G. Pfeleger, witnessed this signature of Kenneth R Pecora
