Hello Michael Asall,

- ① Enclosed are your maps telling about the use of the three claims.
- ② Copy of John A Quilliam's death certificate that you requested.
- ③ Copies of the sheets out of the Abstract of Title concerning the three claims.
- ④ Copy of Helena Schmidt's statement of use.

Helena Schmidt who has been written about in "A Wild Cowboy" by Heidi Bigler Cole and "Idaho Stories" by Art Conley lived her life on the banks of Wild Horse River, a good neighbor. She and her husband Henry helped us May the first year.

Hopefully this is useful information in establishing my priority water right.

Respectfully

Lorilyn M. Quilliam
