RE: Water Right Claims Returned

Dear Mr. Jackson:

The Idaho Department of Water Resources (IDWR) is returning your check #794 (\$847.00) and Notices of Claim to Water a Right because of insufficient information and overpayment. All items on the claim forms must be correctly completed and fees submitted before the IDWR can process the claims.

Some of the items on the submitted forms were not completed. I have enclosed typed forms compiled from the information you submitted and the information in the IDWR water right records. Please review the typed forms for accuracy. If the forms are correct, you must sign them (your signature must be notarized) and return them to the IDWR.

The filing fee for each of the claims is \$50.00. A variable fee of \$1.00 per acre for the irrigation claim, and \$10.00 per cfs for the fish propagation claim, is also assessed. The total filing fee for the two claims is \$236.80.

Please return the signed and notarized typed forms to the IDWR within 30 days of the date of this letter. Failure to return the corrected claims within the 30-day period may result in an assessment of an additional \$50.00 late-fee for each claim.

If you have any questions, please call Tony Olenichak, Water Rights Agent, at (208)-525-7161.

Sincerely,

Tony Olenichak
