AFFIDAVIT

RECEIVED
SEP 08 2005
DEPARTMENT OF
WATER RESOURCES

I, William Shaw Spooner being first duly sworn,
deposes and says: I use the waste water to
irrigate for live stock (cows & horses) I've owned the
place for a year now, so I had to ask Donald
Haugst 2216 Hwy 95, Council, ID the historical questions.
The wastewater was first used in 1952. His mother purchased
the property in 1948. The wastewater has been used
every year since 1952.

I have 3 diversion points which I marked with
an "x" on the attached map. The Far North East point
stay on my property in for a short distance.
