AFFIDAVIT

Josephine W. thomason

being first duly sworn,

deposes and says: The Thomason ranch was in the family

when Wm, Thomason filed on water right (67-4316) in 1892 and this
water has been put to use raising hay, grain and pasture since

then. Wm. thomason passed the property on to his son Lona

J. Thomason who continued farming and using the water as before.

I married Tony's Son Lloyd and came to live on the ranch in 1943.

Lloyd and I continued to raise hay, grain, and pasture after Lloyd's
parents (Lona and Essie) died. (Your records will show that Lloyd
filed a claim to this water (67-4316) April 15, 1980)

At Lloyd's death in 1987 everthing was transferred to my name.

I have continued the same farming operation to date.
