DEPARTMENT OF
WATER RESOURCES

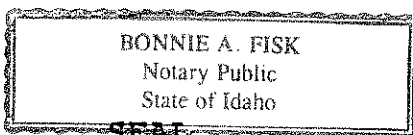

_____ being first duly sworn,

deposes and says: We bought our home and 15 acres
from Glen and Dwila Probst May 1995, which included
water rights for water diverted from the Weiser River
and water from a spring for the purposes of agricultural
irrigation. Glen and Dwila had been raising and selling
hay since the mid 1970's. Water from a second spring
provided the household domestic water.

The diverted water from the Weiser River provides
irrigation for our pasture through a series of ditches.
It then runs on south about 200 yards before it flows into
a large pond that helicopters scoop water from for
fighting wildfires.
