RE: SPLIT OWNERSHIP OF WATER RIGHT 22-13229, 22-13231, 22-13233

Dear Claimants:

Review of your "Notice of Change in Water Right Ownership" reveals a portion of the water right(s) listed above is appurtenant to your property. However, our office is unable to split water rights in Basin 22 until after we submit the Director's Report to the Snake River Basin Adjudication Court. Therefore, you have been added to the water right record(s) as a "present owner." This designation will allow you to receive copies of mailings that pertain to the water right(s) listed above.

Splitting rights will be completed following distribution of the Basin 22 Director's Report scheduled for mailing in 2006. At that time we will designate you "current owner" of your portion and notify the SRBA Court, so the water rights appurtenant to your property will be adjudicated in your name.

Respectfully,

Jennifer Crabtree

Technical Records Specialist
