RE: Snake River Basin Adjudication (SRBA)
Notice of Claim to a Water Right #77-7234

Dear Claimant:

We are returning your incomplete Notice of Claim referenced above and have enclosed a computer-generated Notice of Claim based on License 77-7234. This water right was licensed for 3 cfs with Power as the purpose of use.

The claim you submitted in which you entered the applicable IDWR water right number as 77-7234 states the use is domestic, and you entered the source as a spring tributary to Polly Creek. Your power license does not include a domestic component, and its source is Polly Creek. You already have a claim filed for domestic use from a spring tributary to Polly Creek (#77-14217), and a claim filed for irrigation and domestic use from Polly Creek (#77-4220). However, claim 77-7220 is still in the name of Flying Eagle Resort. The enclosed change of ownership form will need to be completed and returned in order to have this claim reported in the name of River Holdings, Inc.

If you want to claim water use from a different spring, please complete your hand-written claim by adding a priority date, legal description of the point of diversion and place of use to the 40-acre tract ($\frac{1}{4}$ of the $\frac{1}{4}$ of the section) and an amount filled in for each use. Year round use is described as from January 1 (1-1) to December 31 (12-31). Also, the signature block for the organization needs to be completed, and your signature needs to be notarized. The filing fee for a domestic claim where the daily use is less than 13,000 gallons per day is \$25.00.

If you choose to file a claim for License 77-7234, please sign the enclosed computer-generated claim in front of a Notary Public, enclose filing fees in the amount of \$400.00 (100kw x 3.50/kw + \$50) and return the claim to my attention.

Sincerely,
