Department of Water Resources

L. Paul Warrick being first duly sworn,

deposes and says: In proof of the  
Priority date of water claim  
number 67-10325 I am submitting  
a copy of the Warranty deed dated  
October 10, 1916 showing the purchase  
of the existing property and water  
rights. I am also including a notarized  
statement from Robert Stout one of the oldest  
residents of the area. This establishes the  
date of Asa Lally building the house and digging  
the well as sometime between 1916 & 1920

AFFIDAVIT

I Robert Stout am now <sup>86 years old</sup> being first duly sworn,

deposes and says: birthday Aug 29, 1919

this property was purchased by Asa Lolley  
in 1916 as he was the owner of the  
land east of the present property. so to  
give him access to the county road  
that had to be where the house was  
built and the well was dug. at  
that time the ditch was so low in  
the mid summer that the well was  
also used for supplementing irrigation water
