IN THE MATTER OF
NOTICE OF CLAIM TO
A WATER RIGHT No.
67-4435

September 13, 2005

Dear Mr. Saxton,

I am sending a note that John and Blanche Williams wrote to Fred Stovner when he was going to file on waste water on this piece of property. It states that they used the waste water from 1950. Fred Stovner bought the property from the Williams' in 1969. Fred filed on the water in 1982. We moved here in 1977 and Fred was using the water then. He was our neighbor at the time. In 1983 we bought the land from Fred and have owned it ever since. Fred and we used it for livestock pasture. It is flood irrigated. I don't know what John Williams used it for but it was probably cattle. Right now there are horses on it and our land renter did hay it.

Fred, John, and Blanche are all deceased now. The old neighbors are all deceased so we couldn't interview them. I hope this is what you need. If it isn't, please let me know and I will dig deeper.

Sincerely,

Janice L. Hill
