AFFIDAVIT

Department of Water Resources

Rex M Winegar

being first duly sworn,

deposes and says: My Father William W Winegar applied
for use of water in 1966. The same year he Installed
the sprinkler system. It has been in continuous
use every since. I contracted to buy the Ranch
in 1963.

The area outlined in Red is where the water
is being used. The Arrows Indicate the
Sprinkler lines.

In 1978 we drilled a well near the Sprinkler
pump to supplement when the Creek was Dry.
It hasn't been used very much. The Canal
spills water in the creek most all summer
so we have use of the Spill Water.
