Re: Snake River Basin Adjudication
When we bought the one hundred forty five
acres in 1969 from Clall Williamson he
fully explained developing the spring
in 1945. We have been using since.
I think in probably 1981 the State of Idaho
started adjudication paper work. This
was done twice. This is a very important
in keeping abreast of all notices.
Thank you,
Nancy Lee Hulse Whetton
