Re: General Provisions in Basin 65
Water Right Nos. 65-22616, 65-22617, 65-22762, and 65-22589

Dear Mr. Wildman:

As we discussed yesterday on the telephone, the above-referenced four (4) water rights owned respectively by Island Capitol, LLC, George and Cheryl Colwell and the Roseberry Irrigation District appear to have been omitted from the Court's proposed *Partial Decree Pursuant to I.R.C.P. 54(b) for General Provisions in Basin 65* which was Exhibit B to the Court's July 7, 2005 *Notice of Intent to Issue Order of Partial Decree For General Provisions in Basin 65*. Therefore, on behalf of these clients, I respectfully request that these four (4) water rights (Nos. 65-22616, 65-22617, 65-22762, and 65-22589) are added to the lists in the Court's final *Partial Decree Pursuant to I.R.C.P. 54(b) for General Provisions in Basin 65*. As recommended, I am submitting this letter in lieu of a formal pleading. To the extent a Motion or other formal pleading is required to correct this matter, please consider this letter such a formal pleading. Thank you for your assistance.

Sincerely,
