RE: SRBA claim 67-11693

Dear Claimants,

Per our conversation this afternoon, I looked in your water right files for a copy of your warranty deed. Along with the warranty deed, I found the change of ownership you submitted previously for all your water right files and SRBA claim 67-11693 and we can use that to change the ownership on 67-11693 at this time. On that front, we do not need anything from you.

I am sending an amended claim changing the purpose of use from stockwater storage and stockwater from storage to in-stream stockwater. Please look over the amended claim and make sure it is correct, sign it and have it notarized. Then, please send it back to me.

Please feel free to contact me at (208) 287-4907 with any questions.

Respectfully submitted,

Monica P. Van Bussum
Water Resource Agent/GIS Technician
Adjudication Bureau

Monica,
Thank you for your
assistance!
Sandy
