WATER RIGHT FOR IDENT. NO. A67-

Range 1 W Section 28  
 $\frac{1}{4}$  of SW  $\frac{1}{4}$  sw of  $\frac{1}{4}$  sw Adams Co.

Dear Mrs Van Bussum;

It is my understanding that the Water Rights in question were adjudicated to the land NOT the individuals. Dale and I have used these Water rights for the last 30 (Thirty) years and we are the ones who have paid the Assessments on them. Greg and Mark Coriell have never paid one dime on them. We already own Valeries portion of the Land and Water Rights since August 18, 2004.

The other undivided one/sixth each owned by Greg and Mark are in litigation at the time and should be settled by the end of the month. Therefore we cannot send you papers we do not have.

This part was written before we contacted you in August. We did Not get any papers till after I visited with you. I'm enclosing a copy of each Quit Claim Deed, Which has been Recorded in Adams County Court House.

Please Remove Any reference to Greg, Mark, Valerie or Elsie Coolleen Coriell From our Water Rights and I'm sure there are more than one Water Right with them on there.

Thank you for your time extension on this matter.

Yours Truly

DALE CORIELL

I understand this evidents will only get us back to 1907. They Built the house on the land and cleaned out the springs before that. They came in 1882 to this area. I'M enclosing proof of this. And of course it would have been under William Henry or Sarah Coriell. Bill coriell was only 12 year old at the time the Autograph book was signed for Susie Lindsay and Jake was younger that he is.
