Re: Right number 67-04111-67-11281.

To whom it may concern;

Statutory water rights on East side of hornet Creek- Bob Renfro- Jack Rubelt- Harrington Land LLC.

Per conversations with Johnnie Harrington years ago, he and his brother Lyle Harrington had built a wooden flume to take water from the west side of the ranch to the east side. The flume washed out from high water and deteriorated in time. I do not believe that there is any evidence left of the flume this was done in the middle nineteen thirties.

Both Johnnie and Lyle have died. There is NO concrete evidence of this having been done.

I—Jack Rubelt came here in 1973. The next year we bought ½ mile of hand line and a power take off pump that runs off a tractor. I pumped water on what on what is now Bob Renfro's and Jack Rubelt's-Harrington Land LLC. With the time constraints and labor expectations, I only use the system on new seeding, so it was only used every three or four years. Not continuously time, labor and the cost of fuel. The hand line is stored on the east side

Jack Rubelt

Re: Right number 67-04111-67-11281.

To whom it may concern;

My name is Doris Harrington, I moved to Hornet Creek in 1939.

Jack Rubelt has asked me to write somethings I remember on a flume that crossed Hornet Creek on what is now Bob Renfro's place.

I can remember a flume crossing Hornet Creek. I remember pushing one of my brother-in-laws off the flume.

My husband Lyle and his brother Johnnie built the flume. It only lasted four or five years before high water washed it out.

The flume started on the west side of Hornet Creek and went to the East side. It was located right at the start of the property to the North.

Sincerely;

Doris S. Harrington
