Re: Change of Ownership, Water Right Claim 3-7027

Dear Claimant:

The Notice of Claim to a Water Right (claim) identified with the number shown above your name has been filed in the Snake River Basin Adjudication (SRBA). We have reason to believe you may be the owner of some or all of the lands (Lots 8 & 9, Block 1, River Bend Estates; 685 River Bend Lane, Weiser, ID) covered by the subject claim. All claimants and owners of water rights are required (42-248 and 42-1409(6), Idaho Code) to notify the Idaho Department of Water Resources (IDWR) of any change in mailing address or change in ownership of all or part of a water right.

Enclosed please find a copy of the claim and the Notice of Change in Water Right Ownership form and filing instructions. If you are the current owner of the property, please complete the form and return it together with the additional required information in the envelope. If you no longer own the property, please forward these materials to the current owner. And should you decide to return the materials in a different mailer, please write "ATTN: SRBA claim number 3-7027" on the front of the mailer.

If you have any questions, please contact this office. Our toll free number is 1-800-451-4129. It will help speed things along if you have your claim number, 3-7027, handy when you call.
