Total value of improvements:		\$400.00

DESCRIPTION.

About 25 acres of this claim are excellent river bottom land; 6 acres are creek flat; 6 acres are bar land; 16 acres are steep hillside. The drainage is to Salmon River, which forms the southern boundary of the claim. The claim is crossed by the Salmon-Golson creek trail, Shoup, the nearest Post Office, is about 20 miles distant to the northeast. There is practically no timber on the claim. About 20 acres of the land included within the claim are wooded and cultivated. There are some old placer workings, approximately $\frac{1}{4}$ acre in area, on the west end of the claim, along the Salmon River. No other indications of mineral occur on the claim.

HOMESTEAD ENTRY SURVEY MONUMENT

SALMON NATIONAL FOREST

STATE OF IDAHO

Chains

Arthur W. Pope, applicant for land, G. S. L. 199, Section 20, dated January 2, 1906.

Special Instructions dated September 24, 1913, for G. S. L. 199.

Monument No. 199 is situated in unreserved Township 27 North, Range 17 East, of the Boise Meridian, Idaho, and in the Salmon National Forest.

Authority contained in the Acts of June 11, 1906 and

March 4, 1913.

Surveyed October 25 to 27, 1913.

Survey executed with a Gurley Light Mountain Transit, the horizontal limb having two double verniers, placed opposite each other and reading to single minutes of the arc.

Measurements made with a 132 ft. (2 chain) steel tape.

Measurements taken horizontally and a plumb line used for marking the point.

October 26, 1913.

I examined the adjustments of the transit finding all adjustments correct.

There being no corners of the public land survey or other established monument within two miles, I establish U. S. L. N. No. 199, as follows:

A point of granite rock in place, 6 x 4 x 5 ft. above

ground, chiseled U. S. L. N. 199 on the south

face, with a hole 1 in. dia. and 4 in. deep drilled

in the top for U. S. Location Monument No. 199.

A point of granite rock in place, 10 x 5 x 4 ft. above

ground, chiseled U. S. L. N. 199 on the south

face, bears N. 79° 50' W., 56 lbs. dist.

A point of porphyry rock in place, 4 x 3 x 4 ft. above

ground, chiseled U. S. L. N. 199 on north face.
