RE: Notice of Claim A35-11638

Dear Mr. and Mrs. Herbst:

The Idaho Department of Water Resources (IDWR) is returning your Notice(s) of Claim to a Water Right because of insufficient information and/or fees. All items on the forms must be completed and fees submitted before the IDWR can process the notice(s).

A Notice of Claim to a Water Right must be filed in the Snake River Basin Adjudication at this time for all purposes commencing prior to November 20, 1987, except for some domestic and stock uses not exceeding 13,000 gallons per day. Failure to record a Notice of Claim for all other uses will result in forfeiture of the water right. However, the IDWR recommends that notices also be filed for domestic and stock purposes for various reasons.

Please correct the items identified below and return the notice(s) to the IDWR within 30 days of the date of this letter. If the corrected forms are not returned within the 30-day period, the filing fee previously paid for the notice(s) will be refunded and the record will be removed from the IDWR records. If the corrected notice(s) are returned to the IDWR after the refund has been made, each notice will be assessed an additional late fee.

The date of priority must be entered in Item #2. This is the month, day, and year water was first put to beneficial use. If you do not know the precise date, you must estimate the month, day, and year.

A description of the diversion works must be entered in Item #5, for example, well/pump, springbox, or headgate/ditch. Include the dimensions such as depth, casing size, pump horsepower, etc., if known.

If you wish to make an appointment to discuss the corrections, please call the IDWR at (208)-525-7161.

Respectfully submitted,

Ernest Carlsen
