6. If the change in ownership affects the entire water right for each water right or adjudication claim number listed in item 1, THEN SKIP THIS ITEM AND GO TO ITEM 7. If the change in ownership divides the water right(s) among multiple owners, you must describe, in detail, your portion of each water right after the change. Fill in the appropriate spaces in the box(es) below to describe your water right(s) after the change (one water right per box, you may copy this page as necessary). If your quantity of water is greater than a proportionate split, you must attach documentation to show justification for a larger amount. If you are not sure how to identify your portion of the original water right or adjudication claim records, please contact the nearest IDWR office for assistance.

Re: Change of Ownership for 67-439, 67-440, & 67-10592

67-10592:

PD'd. Karilynn has a copy. No action needs to be taken.

67-439:

Ok to change in it's entirety.

67-440:

This claim does not exist. According to the notes. **Water rights** 67-439 and 67-440 were combined in **SRBA claim** 67-439. So changing the ownership on 67-439 is all that needs to be done. If a separate claim needs to be filed for 67-440, that will be addressed in the review process. We can note in the letter (or however you want to do it), that 67-440 is covered by SRBA claim 67-439 so no change will be made on 67-440.

Let me know if that doesn't make sense.

Thanks and no rush.
