Dear Ms. Sherman:

This letter is in response to yours of December 18, 1998, addressed to our client, Idaho Power Company, at a Salmon post office box address. Enclosed for your reference is a copy of a Power of Attorney issued by Idaho Power Company (IPC), which authorizes me to perform whatever functions may be necessary to protect IPC's interests in its water rights and SRBA claims. Please be advised that all SRBA claims, as well as applications for new water rights and applications for transfer, in the name of Idaho Power Company should bear the corporate headquarters address of **Idaho Power Company, P.O. Box 70, Boise, ID 83707.**

In recent years, this law firm has attempted to review all water rights held by IPC, as well as file any necessary SRBA claims and consolidate the company's water right records. In that regard, any claims we have filed also bear the notice of our appearance on behalf of IPC, so we usually receive notice of director's reports, etc. However, there still may be claims which were filed in the early days of the SRBA by various individuals which were not given the corporate headquarters address. We would appreciate being copied with all documents sent to IPC regarding any SRBA claims, if that is possible.

Thank you for your assistance, and please let me know if you require any additional information from this office or IPC headquarters.

Sincerely

James C. Tucker
