RE: Minidoka Irrigation District - Railroad Right of Way and Interstate Acres

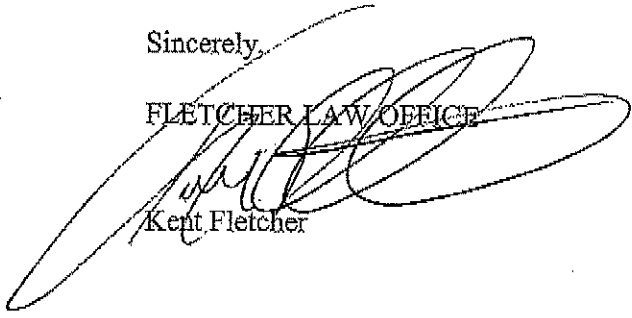

Dear Mike:

I have prepared an Affidavit for Mike Knight's signature describing MID's position concerning the railroad acres and the interstate acres. I plan on having the document signed at the regular Board of Directors meeting on Tuesday, October 11th and will have the document to you in the mail by the end of next week.

Thank you for your attention to this.

Sincerely,

FLETCHER LAW OFFICE
