RE: Snake River Basin Adjudication (SRBA)
A01-00209

Dear Crystal,

The computer reports you requested September 27, 1993, for Twin Falls Canal Co. are enclosed. The sum of the acres from all six records representing TFCC water right A01-00209 with the land list is 201,560.4 acres. Your review may find data entry errors or omissions.

You may be billed for the computer and printing costs next month. Your request is beyond the scope of providing claim information. The billing is dependent on the cost IDWR incurred for these reports that are compiled and reported on a month-end process. Our lack of experience with requests such as your does not permit me to predict the cost.

Please call me if you have any questions.

Sincerely,

Donald V. Shaff
Manager, Adjudication Section
