Re: The Salisbury Corporation Water Rights

Dear Ernest:

This firm represents the Salisbury Corporation which has asked for our assistance in responding to your letter of October 3, 2005 seeking the Claimant's comments with respect to the Preliminary Directors' Report concerning the Corporation's claims to water rights. You will see that we have enclosed the eleven responses on the IDWR form as requested. We are curious as to why the Corporation's water rights designated 21-12376 and 21-12378 were not included for comment and would appreciate hearing from you on that subject.

We will look forward to your response following your consideration of the enclosed comments.

Thank you for your assistance with this matter.

Very truly yours,

C. Timothy Hopkins
