EXPLANATORY MATERIAL: BASIS OF CLAIM - Decreed

Oct 12 2005

In reading the form and information sent by the Water Resources Dept. I noticed that it only listed approximately half of the water that my original entitlement allowed . Because of the drought and lack of snowfall over the last several years I have voluntarily reduced the amount of irrigation, feeling the need for fish and wildlife conservation.

If at a later date the snowfall and available water dictate I would return to using the full allotted water right.
