Dear Mr./Ms.

The Department of Water Resources is currently reviewing claims in your area for recommendation to the Snake River Basin Adjudication court for decree. As part of this review process we are preparing digital maps of the place of use and point of diversion for all water rights. In reviewing your claim # 65-00026 we had difficulty in exactly locating the place of use and the point of diversion. I have enclosed a first draft of a map for this water right. Could you please review this map and make any needed changes and return it to me as soon as possible? Please note that the previous decree in this area indicates this right is for 8 acres in the SWSW of section 4 and 4 acres in the NWNE of section 4. Your claim form only listed the 8 acres in the SWSW. Please indicate the correct number of acres and their location. Please also verify the point of diversion. Thank you for your assistance. Please call me at my office if you have any questions.

Sincerely,

Scott D. Van Hoff
Sr. Water Resource Agent
