Gentlemen:

Would it be possible for us to get a description of or a map of your customer service area for your municipal water system? In our review and investigation phase of the Snake River Basin Adjudication, it would be helpful for us to have this information in verifying individual claims to water rights for domestic purposes. We will be happy to discuss with you the most convenient way for you to provide this information to us. I can be reached at 327-7931 or you may contact my assistant, Anita Warntjes at 327-7986.

Your assistance in this matter is greatly appreciated.

Sincerely,

DAVID B. SHAW
