RE: Snake River Basin Adjudication (SRBA)

Dear Mr. and Mrs. Pratt:

Enclosed is a map which shows the legal description of Claim No. 65-05176 in blue. Shown in pink is where 2620 E. Main St. is located.

I have not been able to locate a claim on file in your names other than 65-05176.

The questions are:

1. Do you own property in the blue area? If not, do you still want to claim 65-05176?
2. If the pink area is where you have filed a claim, can you supply me with the claim no. or other information in order for me to track down the claim? When did the use begin? Do you put in the well recently? If so, it may not be on record yet.

Once you have this map, perhaps we can resolve these questions on the phone. Please give me a call. Thank you for your patience in resolving this matter.

Respectfully,

Helen L. Thornton

RE: Snake River Basin Adjudication

Dear Mrs. Pratt:

Following our phone conversation last week, I researched the records and found a likely record for your water right. You mentioned to me that the previous owners of your property were Louis and Mary Jo Clark. Attached is a computer-generated claim form for a decreed water right No. A65-01036 in their names in the same quarter-quarter as you have identified as your property. If this is your water right, you may claim it by completing the attachment showing your name/address and having your signature(s) notarized. There is no fee because the right was previously decreed in the Payette River Basin Adjudication.

Also, as we discussed on the phone, I am returning the claim you filed for the property you previously owned on the west side of town (A65-05176). Since you no longer own the property, you may destroy the claim; it has been claimed by the current owner.

Please do not hesitate to call me if you have any questions or would like to discuss any of these matters. If you wish to file Notice of Claim A65-01036, please complete the necessary actions and return it to this office within 30 days. I appreciate your patience in resolving these matters.

Respectfully,

Helen L. Thornton

Claim No. A65-05176

This form is to be used to document public record information requests regarding any SRBA claim or claims. The form may also be used to document IDWR communications requesting information regarding any SRBA claim or claims when the request is not made in writing or the claim verification report is not readily available to document the request. This form is to be filed in all relevant claim files or a central office file.

SUBJECT: A65-05176 POD & POU NOT CHANGED

1. Claimant says that she was mixed up when she originally filed this claim.
2. The claim had the $\frac{1}{4}\frac{1}{4}$'s correct and she was thinking it was another tract somewhere else.
3. Thus, no fee is needed because no change to prior decree.
4. She circled the original lined out $\frac{1}{4}\frac{1}{4}$'s and crossed out the mistakes. She said she initialed and dated the form and will mail back in.

Dear Claimant(s):

This office is presently processing the Notice of Claim(s) to a Water Right you submitted during the Snake River Basin Adjudication claims filing in your area. However, due to the items checked below, we cannot continue to process this claim(s). We are returning this claim(s) to you to complete items required that were incomplete on your claim form. **ONLY THE ITEMS CHECKMARKED IN THIS LETTER NEED COMPLETION. IF AN ITEM IS NOT CHECKMARKED, IT IS NOT PERTINENT TO THIS CLAIM(S).** Also enclosed is the receipt for the filing fee previously submitted with this claim(s).

☒ Fee - No fee received or inadequate fee received, fee due is \$ 2500.
(Filing fees, based on use(s) of water, were due on all claims filed)

☐ Late Notice of Claim - This claim was received on _____ which is after the deadline for filing claims in _____ County. The deadline for this County was _____, and the late fee now due is _____. The enclosed Late Fee Notice explains the late fee and how it is computed.

☐ Item No. 2 - Date of priority - month/day/year that water was first put to use, regardless of ownership. If month or day is unknown, the Dept. will recommend 12/31 of the year designated.

☐ Item No. 3 - Source of Water

☐ Item No. 4 - Point of Diversion - must be shown by quarter-quarter (40 acre tract), section, township and range. Lot and block for subdivision are not acceptable as the legal description for the point of diversion, however, please include this information in the remarks section of your claim. See page two of this letter for additional information.

☐ Item No. 6 - Uses of Water

☐ Item No. 9 - Non-Irrigation Uses

☐ Item No. 10 - Place of Use - must be listed by quarter-quarter (40 acre tract), section, township, and range. Lot and block for subdivision are not acceptable as the legal description for the place of use, however, please include this information in the remarks section of your claim. See page two of this letter for additional information.

MICROFILMED

OCT 18 1996

Item No. 12 - Ownership of place of use - It appears that the places of use filed on this claim are owned by separate individuals. This claim form can only be used when the places of use are under single ownership, even when all the uses are from one source. Enclosed are claim forms to be used to file on each separately owned place of use. The claim being returned will need to be modified to show one owner, with the changes initialed and dated. The \$25 fee for this claim has been submitted, however, the additional claims returned need to submit a \$25 fee each.

Item No. 15 - Basis of Claim - Please designate if your water right is based on beneficial use of the water - Beneficial Use, or if it is based upon a previously filed water right - Posted Notice, License, Permit or Decree.

Item No. 16 - Signature - this claim form does require your signature be affixed and notarized by a notary public. Note, the notary public signs below the signature blocks listed in this item.

MAP ENCLOSED: Please mark the location of the well(s) and the location of the place(s) of use on this map. Then return the map with your claim and the additional information requested, if any. We can then determine the quarter-quarter(1/41/4) legal description based on the locations marked on this map.

✓ Other: The fee is due because of the change in the legal description even though the change is a correction.

Please complete the above item(s) on your claim form(s), initial and date any changes or additions, and return the claim(s), with the requested fee(if one was requested), to our office within 30 days from the date of this letter. If the claim(s), or fee requested, is not received within this 30-day period, the claim(s) will be rejected and your fee, if one was paid previously, will be refunded. Please contact our office listed in the address below, within the 30 day time period, either in writing or by phone, to let us know if there is a problem returning the claim(s), or fee, in order to keep this claim(s) valid. If the claim(s) is rejected and fee refunded, due to no response within the 30-days, the claim(s) can be resubmitted up until claims in this area are prepared for court decree. However, at that time the corrected claim(s) along with the regular filing fee that was refunded, and an additional late fee will be required. Please return your claim(s), any other claims, information or fees requested, if any, to the Department of Water Resources, Western Region Office, 2735 Airport Way, Boise, ID 83705.

Feel free to contact this office if you have any questions concerning this letter.

Sincerely,

Helen
