On February 21, 2002 a *Special Master's Report, Finding of Fact and Conclusions of Law* ("*Special Master's Report*") was filed for the above-captioned water rights. The *Special Master's Report* recommended that the motion to set-aside partial decrees and file late objections, filed by Delmar L. Phillips, be denied. No Challenges were filed to the *Special Master's Report* and the time for filing Challenges has now expired.

Pursuant to I.R.C.P. 53(e)(2) and *SRBA Administrative Order 1*, Section 13f, this Court has reviewed the *Findings of Fact and Conclusions of Law* contained in the *Special Master's Report* and wholly adopts them as its own.

Therefore, IT IS ORDERED that the motion to set-aside partial decrees and file late objections is denied.

RULE 54(b) CERTIFICATE

With respect to the issues determined by the above judgment or order, it is hereby CERTIFIED, in accordance with Rule 54(b), I.R.C.P., that the court has determined that

there is no just reason for delay of the entry of a final judgment and that the court has and does hereby direct that the above judgment or order shall be a final judgment upon which execution may issue and an appeal may be taken as provided by the Idaho Appellate Rules.
