Dear Ms. Hoy,

In response to your telephone request of August 22, 1988, I have researched our computer database for all records of water rights in the Snake River Basin in the name of Boise Cascade.

Enclosed are 11 notices of claims to water rights from the Payette River Drainage in Valley County (65-0589, 65-0590, 65-0591, 65-0592, 65-0593, 65-0595, 65-0596, 65-0597, 65-5787, 65-8003, and 65-7884). These water rights were decreed in the Payette River Adjudication, so no filing fee is required if they are claimed as decreed. Notices of claims for these water rights are required to be filed by November 23, 1988.

Also enclosed are 5 notices of claims to water rights from the Payette River Drainage in Gem County (65-7094, 65-2950, 65-0585, 65-0586, and 65-0587) and two notices of claims to water rights from the Payette River Drainage in Boise County (65-2706 and 65-2622). These water rights were also decreed in the Payette River Adjudication, so no filing fee is required if they are claimed as decreed. First round service has not been done in Gem and Boise Counties yet, so notices of claims for these water rights are not required to be filed at this time. They will have to be filed later, though, so you may want to go ahead and file them when you do your Valley County notices of claims.

Enclosed is one notice of claim to a water right from the Payette River Drainage in Valley County (65-12755). This water right was established subsequent to the Payette River Adjudication, so the filing fee will apply. If the water right is claimed as described in the notice of claim enclosed, the filing fee will be \$168.00. A notice of claim for this water right is required to be filed by November 23, 1988.

Also enclosed is one notice of claim to a water right in Cassia County (45-2760). First round service has not been done in Cassia County yet, so a notice of claim for this water right is not required to be filed at this time. It will have to be filed later, though, so you may want to go ahead and file it when you do your Valley County claims. If the water right is claimed as described in the notice of claim enclosed, the filing fee will be \$70.00

I also found records of water rights in the name of Boise Cascade in Adams County, numbered 78-4294 through 78-4306. Notices of claims to water rights in Adams County were already filed by Herb Malaney on behalf of Boise Cascade.

There are four other records as to filings by Boise Cascade in IDWR records. One is for a water right claim that was disallowed by the decree in the Payette River Adjudication (65-0588). Two are for permits that have lapsed and have not been reinstated (65-12695 and 65-7865). One is for an application for permit that has not yet been approved (65-12563.) A notice of claim may not be filed based solely upon an application for permit until the application has been approved.

There are also records of water rights from the Boise and Weiser River Drainages in the name of Boise Cascade. As I explained on the phone, an appeal of the commencement order was filed seeking to exclude the Boise and Weiser River Drainages from the SRBA. An order was entered staying the SRBA in those drainages pending the outcome of the appeal, so we cannot accept notices of claims to water rights from those drainages until a decision affirming the commencement order is issued. Argument was held in May, 1988, and we expect a decision any time.

Please note that my research extended only to records in the name of Boise Cascade. IDWR may have records as to water rights appurtenant to land owned by Boise Cascade which are not in the name of Boise Cascade. The only way to identify such records is by using a legal description (by 40 acre tract) of the place of use of the water rights. Boise Cascade may also have beneficial use water rights (established by diversion and beneficial use of the water) of which there is no record at IDWR.

Finally, a document is enclosed entitled "How You Will Receive Notices in the SRBA." The person filing the notices of claims on behalf of Boise Cascade will be asked to indicate that they have read and understood the document, and whether the claimant wishes to subscribe to the docket sheet (described in the document). Herb Malaney of Boise Cascade already has a subscription to the docket sheet.

My suggestion is that you review the notices of claims enclosed, determine if there are any changes you wish to make or any additional claims you wish to file, and then call and make an appointment with Don Shaff. He will be able to assist you with the actual filing.

Sincerely,

A. Lynne Krogh-Hampe
