✓ Union Pacific Railroad Company
P. O. Box 520
Pocatello, Idaho 83201

Dear Mr. Phoenix:

After receiving your February 6 letter, changes have been made in some of the claims described in my previous letter.

The Smiths Ferry well (65-0877) will be recommended as noted in my letter. The reproduced drawing you provided helped with the "Beaver Creek" right.

This right (65-0879) is now recommended and not disallowed because the water is apparently used in weed spraying. The source of the water will be described as Murray Creek, according to the U. S. Geological Survey map, but the remarks will state, "Source also known as Beaver Creek." An 1880's survey map showed the creek as Beaver Creek."

Based on your letter, the recommendation for the Cascade well (65-0843) will be reversed from the disallowal mentioned in my letter. We will recommend a diversion rate of .04 CFS for this right.

If you have further information about the company water rights, feel free to contact me again. Perhaps our letters will not cross in the mails this time.

Sincerely,

EDGE
