Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.

RE: Notice of Claim to a Water Right
Gem County - A65-01843 & A65-01844

Dear Mr. and Mrs. Hankins:

As Mrs. Hankins and Helen Harrington-Thornton discussed on the phone Friday, the pages of your claim were mixed up with the claim Mr. Standley filed.

From the discussion with Mrs. Hankins, the correct claim which you need to file is for the property which has the newer house, with a priority date of 10-15-1969. The claim which would be yours has identification number A65-01843.

I am returning the papers which you submitted in January. Please put the appropriate three pages together and return them to this office for processing. The identification number can be found on each page in the lower left corner. (You will need to replace the first page of with the claim A65-01843 first page or if you wish, you may sign the new set of papers, having your signature notarized.)

I apologize for any inconvenience; however, in order to fully protect your water right, this legal document must be completed and submitted by you. Please do not hesitate to contact Helen Harrington-Thornton at 327-7935 if you have any questions.

Sincerely,

Helen Harrington-Thornton
