DIRK KEMPTHORNE
Governor

KARL J. DREHER
Director

Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.

MEMORANDUM

TO: CARTER FRITSCHLE^{AF}/ADJUDICATION
FROM: PAM SKAGGS^{CP}/WATER ALLOCATION
SUBJECT: FIELD EXAM INFO/RIGHT NO. 65-02847
DATE: December 20, 1994

=====

On 09-20-94 I conducted a field exam on Permit No. 65-02847. I was accompanied by the current ranch operator, Tim Cooper, who described the current use of rights on the acres under this permit. The permit holder Clayne Cooper could not be contacted; he is divorced and a his former wife, Marjorie, appears to be the current owner of the property. Tim Cooper is their son who operates the ranch under the name CM Ranches.

Right Nos. 65-01854 and 65-01858 appear to overlap this right, but are no longer used according to Mr. Cooper. He noted that water from the old drain, point of diversion for wastewater under these rights, is no longer used on these acres. These rights are claimed in the SRBA by Clayne Cooper and should be modified or disallowed to reflect this change or non-use.
