Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. To have a timely filing you must file this claim with IDWR by May 25, 2001. IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.

RE: Notice of Claim to a Water Right No. A65-02032B

Lois W. Flick Garrett

Boise, ID 83709

Dear Claimant:

We are preparing the above referenced claim for recommendation to the SRBA (Snake River Basin Adjudication) Court in Twin Falls. We are to submit this report in September of this year. In looking at the aerial photo of this property, I cannot locate the 5 acres you irrigate. I have drawn a box around the entire 40 acre tract in order to assist you. Please draw the location of your 5 acres on the enclosed photo and return it to me at your earliest convenience. Your verification of the location will be very helpful and assist me in completing the review of your claim. I have also indicated the point where you divert your water from Clear Creek on this photo. If the location of your point of diversion is different than what I have shown, please feel free to indicate where your diversion is actually located.

If you have any questions concerning this matter, please do not hesitate to contact me.

Sincerely,

Kay Walker
