MEMORANDUM

To: Don Shaff *DS*
From: Roxanne McCarthy
Re: Idaho Power claims A65-12096, -02232, -02338A/X
Date: August 8, 1990

=====

I have reviewed these claims. Apparently Carter had retained them in his office suspecting that Idaho Power had been overcharged for claims A65-02332, -02338A and -02338X. Claim A65-12096 is in good order.

The database indicates that the new claims differ from the Payette decreed rights; a \$50.00 fee was charged accordingly for each new claim. However, these three rights have valid transfers dating from 1984 that include each of the apparent changes; a refund appears to be in order.

I have noted the transfer information on a proof report for each claim and have requested that the changes be made to the WR database.
