Re: Snake River Basin Adjudication SRBA
Claim #A65-02448 - Boise County

Dear Mr. & Mrs. Roberts:

We are returning your Notice of Claim to a Water Right filed for your property in Boise County. We have noted some problems with your claim which we would like you to correct. Would you kindly clarify the changes which you made?

At Item #1, do you wish to have the phone number changed for both names? If so, please make the change and initial that change.

Item #10, you decreased the total number of acres. Please identify in each $\frac{1}{4}$ the number of acres irrigated so tracts total 12.1 acres.

The notary public's verification of the signature of the claimant is a required element of the claim form. After you have obtained the notary public's verification of your signature at the bottom of the last page, we will be able to process this claim.

Please return the documents to this office at the attention of Helen Harrington. If you will make these corrections before August 24, 1989, you will not be assessed a late filing fee. Do not hesitate to contact this office if you have any questions or concerns.

Yours Truly,

Donald V. Shaff
Manager, Adjudication Section

HOW YOU WILL RECEIVE NOTICES IN THE SNAKE RIVER BASIN ADJUDICATION

All documents filed in the Snake River Basin Adjudication other than notices of claims are filed with the court. Notices of claims to water rights filed in the Snake River Basin Adjudication are filed with the Idaho Department of Water Resources. Copies of all documents filed in the Snake River Basin Adjudication will not be mailed to all parties (claimants) in the adjudication.

By order of the court, any document filed with the court will be mailed only to those parties who may be directly affected by it. A monthly docket sheet will be prepared by the department which contains a summary of all documents filed with the court in the previous month and the dates and locations of hearings scheduled for the following three months. The docket sheet will be filed with the district court clerk in each county within the Snake River Basin in Idaho. Copies of the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying. If you wish to receive a copy of the docket sheet each month, you should mark the appropriate place on your notice of claim form. You will be charged a small annual subscription fee to cover the cost of copying and mailing. Copies of any document listed on the docket sheet may be obtained from any of the offices of the department either in person or by mail; a small fee will be charged to cover the cost of mailing and/or copying.

Copies of all notices of claims filed with the department will be available for inspection from all offices of the department. Copies of the notices of claims may be obtained in person or by mail, but you will be charged for the cost of copying and mailing. (A claimant will not be charged for a copy of his or her own notice of claim, and a person who acquires property with water rights for which a notice of claim was filed will not be charged for a copy of the notice of claim filed by the previous owner.)

After the notices of claims have been reviewed, the director will prepare and file a report with the court. Part 1 of the report will contain the director's recommendations as to each water right claimed under state law. Part 2 of the report will list each federal reserved water right claimed. A number of reports will be prepared, one or more for each sub-basin in the Snake River Basin. When the report for your sub-basin is filed with the court, you will be mailed a notice informing you that the report for your sub-basin has been filed. The notice will be sent to the most recent address shown by the department's files. Attached to the notice will be a copy of those portions of the report describing the water rights you have claimed. If you do not agree with the way your water right is described, you may file an objection to the report with the court. You can also file an objection if you disagree with the way other claimant's water rights are described, and the notice will tell you where a copy of the full report is available for inspection. The notice will tell you when and where to file your objection. The notice of filing for each sub-basin report will also be published state-wide in local newspapers.

Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.

Dear Mr. Olson:

First, let me apologize for the delay in responding to your letter. Although we received it on October 13, 1988, the letter was misplaced, and we have only recently located it.

We researched the adjudication files and were unable to locate an adjudication claim based on your license. We have extracted the information from your license, #02-07361, and have created an adjudication claim form from the information we have on file.

This letter is granting an Extension of Time for the filing of the above-referenced Notice of Claim to a Water Right until August 24, 1989. The original filing deadline for the claim was January 11, 1989. Please keep this extension of time with your legal documents regarding your claims. This extension is granted under the authority of §2-1409(10), Idaho Code.

Please be sure to include the filing fee of \$51.00, as well as have your signature notarized, after you have reviewed the claim and are confident it represents your water right.

Please do not hesitate to contact this office if you have any questions or need assistance.

Yours Truly,

David B. Shaw

Dear Mr. & Mrs. Roberts:

We are returning your Notice of Claim to a Water Right filed for your property in Boise County. We have noted some problems with your claim which we would like you to correct. Would you kindly clarify the changes which you made?

At Item #1, do you wish to have the phone number changed for both names? If so, please make the change and initial that change.

Item #10, you decreased the total number of acres. Please identify in each $\frac{1}{4}$ the number of acres irrigated so tracts total 12.1 acres.

The notary public's verification of the signature of the claimant is a required element of the claim form. After you have obtained the notary public's verification of your signature at the bottom of the last page, we will be able to process this claim.

Please return the documents to this office at the attention of Helen Harrington. If you will make these corrections before August 24, 1989, you will not be assessed a late filing fee. Do not hesitate to contact this office if you have any questions or concerns.
