WATER RESOURCES
WESTERN REGION

after 1989 Fire lots of property changed hands.

Les Farber sold to Bowman who sold to us - almost a 5 acre parcel. Les also sold about an acre of his place to John ^{Elliott} that had a water power generator. Les kept the water right though. He capped the pipeline to the generator.

Les is dead now. We never met him. Jeff Bowman said Les was very careful about water rights & property boundaries. He separated his house & irrigation rights each time he sold off a piece of his land.
