We have reviewed the water claims mentioned in preliminary recommendation correspondence, and completed the enclosed documents.

We do however have two additional permits that we are presently using at the greenhouses that are not mentioned in the preliminary recommendations. Could they be included in the adjudication process?

These are **65-13344A** for **1.0 cfs** from the South Fork of the Payette River, and **65-13588** for hot water completed Oct. 15, 1998.

Thank you for your consideration on these matters.

Sincerely,

David J Ward

Deatt - would you please
respond to this letter -
The 2 it's are ones that are
still permits & do not require
a claim to be filed because
they have priority date, after
the beginning of the act. 11-19-57.
P.S. You have Jack Ward's keys.
Did you make the changes to his AF? JAN
