September 10, 2001

RE: Water Rights in Reporting Area 15, Basin 65
Snake River Basin Adjudication (SRBA)

Dear Water Right Claimant(s):

Please find enclosed the Idaho Department of Water Resources recommendations for your water right(s) in Basin 65 for the Payette River drainage basin. We have also enclosed instructions for reviewing (1) your recommended water right(s), and (2) other recommended right(s) in your area. Water rights for nearly all domestic and/or stockwater rights were recommended separately in an earlier report, and most of those now have been decreed by the SRBA Court.

Note that you have 120 days in which to review your water rights or those of other claimants and to file any objection to our recommendations. Information on the other water rights can be found at the county courthouses in Emmett, Payette, Weiser, Idaho City, and Cascade, and at all the Idaho Department of Water Resources offices (see addresses in enclosures).

If the SRBA Court does not receive an objection to our recommendation from you and no other party objects to your water right, your water right will be decreed the first part of next year as recommended. You will receive your decree from the SRBA Court.

Completion of the SRBA is important for the future of water management in Idaho. We invite you to contact our regional offices with any questions you have about your water right(s) or this adjudication process.

Sincerely,

Karl J. Dreher
Director

Re: Snake River Basin Adjudication-Payette County

Dear Mr. McCrea,

We are returning the enclosed claim which you filed for your property in Payette County because we are unable to process it with out the required fees.

Water rights which were determined by the court in the Payette Drainage Adjudication are exempt from fees only if the water right is claimed as it was decreed. The changes in Items #4 and #10 reflect a change in the water right.

Therefore, the applicable filing fee of \$25.00 must accompany this claim before we can process it in the Snake River Basin Adjudication. If the claim is returned with the correct filing fee by August 10, 1990, no late fees will be assessed. Please do not hesitate to contact this office if you have any questions or need assistance.

Sincerely,

John D. Carlson
Adjudication Supervisor
