If you do not agree with these findings you should follow the procedure set forth in Section 42-1410, Idaho Code, which states in part that "Any claimant who desires to object to the report shall file his objections with the Court (Third Judicial District) within 60 days of the date of mailing of such report by the Director of the Department of Water Resources and shall also send a copy of such objections to the Director of the Department of Water Resources." Since this mailing constitutes your portion of the report, the 60 day period began with the date of postmark.

Copies of the entire Proposed Finding, including Findings of Fact and Conclusions of Law, are on file for your review at: the County Courthouses in Payette, Emmett, Cascade and Idaho City; the ASCS Offices in Payette, Emmett, and Donnelly; the U.S. Post Offices in New Plymouth, Garden Valley, and McCall; the schools in Horseshoe Bend and Sweet; various irrigation company offices; and at the Western Region Office of the Department of Water Resources. If you do not have access to these copies, and would like to review the report, please contact this office.

If a change in ownership has occurred, just give this form to the new owner since the water right remains with the land.

If you have no objections, there is nothing more you need to do to confirm your water right unless the court receives an objection to it from another person. Simply save this mailing as evidence of your right. You will be notified if any future actions change your water right.

Sincerely,

DIRK KEMPTHORNE
Governor

KARL J. DREHER
Director

Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.

Already adjudicated, or finalized,
according to the helpful person
I spoke with recently at IDWR.

~~Under~~ NOT included in the mailing we recently received concerning the above two, I understand because they were taken care of some time back; we didn't receive word of it though, presumably because you didn't have our current address.

Please let us know if we need to do anything else concerning this adjudication.
