DIRK KEMPTHORNE
Governor

KARL J. DREHER
Director

Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.

Dear Mr. Jones;

I have received your letter with the returned claims dated May 9, 1989. In regard to water right number A65-02886E, enclosed is a copy of license number 65-02336DA. This indicates that the number was changed to 65-02336E.

As to water right number A65-07559, the item in the remarks section indicates that a permit application was filed just prior to the ending of the Payette River adjudication. In order for that permit to be licensed the permitting procedures had to be completed. This has been done. Therefore, that claim was included in that adjudication for informational purposes only.

Enclosed are your copies of water right claims number A65-11186, A65-07559, A65-02886B and A65-02336E. If you have further questions, feel free to contact me.

Sincerely,

Dear Ms Werner:

Thank you for the forms, signed, notarized and enclosed, and for your letter of May 1.

The only question I had on the forms is on number A65-2886E: please see my note there. Also: I don't understand the "remarks" on A65-07559.

Sincerely,

Michael Jones

P.S. On the signature pages, the "We"s are crossed out only because Diane wasn't with me at the notary's office. I hope her signature is not necessary for these rights. If it is, please send the forms back and we will both sign. Thank you, MJ

Dear Mr. Jones;

In regard to your letter of April 23, requesting the necessary claim forms for your water rights in the Snake River Basin Adjudication.

Enclosed are claims for water rights numbers 65-11186, 65-07559, 65-02886B and 65-02886E. All that is necessary to file these claims is to review the forms and if there are no changes, sign and notarize each claim and return to my attention. No fee is due since they were filed in the Payette Adjudication, unless there are changes to the claim. Address changes not included. I have made note of your address change in our files.

The deadline for filings in Boise county is May 19, 1989. A \$50.00 late charge per claim may be assessed for claims postmarked after that date. Please return these claims to my attention. If you have questions, feel free to contact me.

Dear Madam/Sir:

Please send us the necessary forms to file for claims on our water rights in the Snake River Basin Water System. Our rights are for water sources tributary to the Payette River near Banks in Boise County.

I believe that these rights were determined in the Payette River Drainage Adjudication. Please see the enclosed copies of IDWR documents relevant to that Adjudication. I understand from your Commencement Notice that our claim is thus exempt from the filing fee, but that we still should file a claim. However we have not received any Notice of Claim forms. Please send us one for each of the rights as noted on the enclosed forms. Of course we want each of these rights protected.

Note: Our mailing address changed from Boise (2608 Stewart Street, 83702) to Wisconsin (above) in 1987. The enclosed "Proposed Findings" for the Payette River Drainage Adjudication are the most recent documents concerning that procedure in our files. Is it possible that we have missed some important mailings?

Thank you for your assistance. We will not be in Idaho until mid-June, so will have to conduct the business that needs to be done before then by mail and phone.

Sincerely,

Michael Jones
