Gentlemen,

I was on the phone today during the Monthly Status Conference and could hear the court's frustration over the absence of a claimant in this subcase. Evidently the notice of the hearing was returned with a notation that the claimant was deceased.

I am informed from the Valley County Assessor's Office that the places of use described under 65-02958 are currently owned by someone other than the claimant (Cruickshank):

Dear Water Right Claimant(s):

The Idaho Department of Water Resources (IDWR) has completed its initial investigation of your water right claim(s) in the Snake River Basin Adjudication (SRBA). We have enclosed a print-out showing our preliminary recommendation regarding how your water right should be reported to the SRBA District Court.

Please review the preliminary recommendation carefully. If there is any information on the print-out you believe is inaccurate, please fill out the enclosed reply indicating what changes you believe should be made. Further instructions to assist you with the review are enclosed. For water rights with an irrigation water use, a Geographic Information System (GIS) computerized image of the place of use for your water right is also enclosed.

You may return this reply in person to us at a public meeting IDWR will be conducting in your area. **The meeting will be held on Wednesday, October 13, 1999, at 7:00 p.m. in the Senior Citizen Center, 409 School Road, Cascade.** Please come to the public meeting, where you will have an opportunity to find out more about the SRBA process and speak with a department staff member should you have questions regarding your water right. Please bring any and all information you have which will help the Department understand your water rights and describe them accurately.

This process is intended to ensure IDWR recommends your water right accurately to the SRBA District Court. This is the easiest and least costly means for you to identify corrections you believe should be made to our recommendation. Completion of this process is an important step toward the overall success of the adjudication in Idaho. Your participation is necessary so that accurate information is provided to the SRBA District Court.

We look forward to hearing from you.

Sincerely,

Karl J. Dreher
Director

Dear Water Right Claimant:

To help you with your water right claim(s) in the Snake River Basin Adjudication, this letter of explanation is being sent to you along with information sent by the Idaho Department of Water Resources (IDWR). Included are the following important documents which I ask you to please read carefully because they give you the opportunity to save a great deal of time and money:

1. **Preliminary Recommendation.** This is IDWR's *initial* finding and conclusion about your water right and how it should be reported to the SRBA Court. This preliminary recommendation is not filed with the court, but is provided to you to help correct errors or resolve any disagreement you may have over its content. This document has been prepared following IDWR's investigation and may be different than the claim(s) you actually filed.

Therefore, please review this preliminary recommendation carefully to find any errors or disagreements you have with IDWR's findings.

2. **Error Correction/Settlement Process.** This preliminary recommendation is a special service provided to you by IDWR to help you correct errors and resolve any other disagreement you have before the actual recommendations are ultimately filed with the court.

A description of how to work with IDWR is included. Our experience in the SRBA shows that by working in cooperation with IDWR most errors and differences can be addressed before coming into court. It's well worth your time to take full advantage of IDWR's helpful service. If your disagreement cannot be resolved, you will be able to file an objection to IDWR's actual recommendation when it is filed in court and have the final decision made by the Presiding Judge.

This error correction service is an important opportunity for you to work together with IDWR to make sure your water right claim(s) are decreed accurately. There is no cost to you other than your time reviewing the preliminary recommendation and talking to IDWR about any problem you see. Of course, you may always employ the services of an attorney if you wish.

The goal of the SRBA is to see that your water right(s) are decreed by the court as accurately and fairly as possible. It is important to me that this is done efficiently in order to reduce your costs and present you with your decree.

I strongly encourage you to take full advantage of this opportunity to use the fine and courteous service provided by IDWR.

Sincerely yours,

Dear Mr. Cruickshank:

As we discussed during your visit to my office on March 1, 1994, I am sending this letter to you to summarize the actions I have taken on the above-referenced claims.

You listed a number of claims which required a change of address, due to changes made by the McCall post office. Since I failed to obtain a signed request from you for these address changes, the data base has been updated in an incomplete manner. For this reason I have attached a listing of those claims. Please review, sign, and return this document to complete the address change.

Claim numbers A65-02942 and A65-02958 are the two claims that I mentioned to you which, due to a computer limitation during the claims taking process, did not record all of the acres decreed to those rights during the Payette River Adjudication. I have amended the claims to include these additional acres. Please review these claims, add your notarized signature, and return them to this office to my attention. No fees are required.

Claim number A65-09666 has been changed to reflect new ownership, based on the tax receipts that you provided to me. A copy of the claim and a copy of the change in ownership form are enclosed with this letter.

Claim number A65-03333, which you informed me has been sold to the Idaho Transportation Department (State Highways), will be changed to reflect the change in ownership as soon as ITD provides additional documentation.

The claims listed below are filed in the names of James L. Cruickshank Trust, or Jarvie/Nasi. I am unable to change the ownership on these claims. The tax notices that you provided to me are for property in Twp. 17N, Rge. 03E, sections 27, 34, 35, and 36, and Twp. 16N, Rge. 03E, Section 2. The claims referenced below are all in Twp. 17N, Rge. 03E, section 10. In order to change ownership on these claims, please provide documentation that supports your ownership of the appurtenant lands. Please send this documentation to my attention along with the enclosed change of ownership form. The claim numbers are as follows:

A65-02340B	A65-03154	A65-03155	A65-03158B
A65-03159B	A65-03160	A65-03161	

In conclusion, the following needs to be returned to this office:

1. Signed list of claims which require a change in address.
2. Documentation of ownership for the claims in Twp. 17N, Rge. 03E, section 10, and a signed Change of Ownership form.
3. Signed and notarized amended claim numbers A65-02942 and A65-02958.

If I have missed any of your claims, or have misinterpreted your intentions, please do not hesitate to contact me. I will also be happy to address any questions or concerns that you have.

Sincerely,

Maria Minicucci
Water Agent, Adjudication Bureau

CLAIMANT'S NAME: CRUCKSHANK
COUNTY: Valley
EMPLOYEE: M. Minicucci

DATE: 03/02/1994

John Cruckshank was in my office yesterday afternoon. The purposes of his visit were to (1) Change the address of his claims because of changes in McCall's postal system, and (2) Change the name on some claims from his father's trust to him.

Mr. Cruckshank indicated that the address should be changed on the above-referenced claims.

These claims also have to be amended, as the computer did not include all decreed (Payette R) 1/4 1/4's in some sections.

I agreed to send the amended claims to Mr. Cruckshank for his notarized signature.

I will change the address of these claims, pending a signed change of address from Mr. Cruckshank.
