Re: Original Notice of Claim to a Water Right No. 65-03002X

Renumbered to Notice of Claim to a Water Right No. 65-03002F

Dear Claimants:

We have received and processed a Change of Ownership for a portion of your original Claim to a Water Right Number as referenced above. This change of ownership resulted in a split of your original claim.

When a portion of the original water right claim has been conveyed to another and the original right has been split, then the original claim number is renumbered by adding alpha suffixes to represent each split. Each split contains only the portion of the original right for each separate owner. The above referenced new claim number reflects your remaining portion of the original claim after the change of ownership. Enclosed is a copy of this new water right for your records. Please refer to your new claim number when corresponding with our office.

Also enclosed is a copy of the Notice of Completed Administrative Proceedings which has been sent to the Snake River Basin Court as notification of the change.

If you have any questions concerning this ownership change, or the enclosed information, please feel free to contact this office.

Sincerely,

Adjudication Section

Dear David and Janis,

I reviewed your requested Notice of Change of Water Right Ownership form, for the above claims.

However, after reviewing your attached Warranty deed and (Exhibit "A") land description attachments, I found that this reference is to land South of McBride Creek. See attached map, highlighted area in blue. Thus, I didn't prorate or change the ownership for these rights.

I will need a different warranty deed that covers the lands we discussed at our March 27, 2000 meeting. See attached map, area highlighted in pink.

I am returning your original Notice of Change of Water Right Ownership form with attachments at this time.

If you can find the appropriate warranty deed, please do return this original Notice form with the appropriate warranty deed and attachments.

Please call me if you have any questions.

Sincerely, 

Ron Howerton
