## INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. Section 42-248 requires certain property holders to notify the Department of Water Resources (IDWR) of any change in mailing address or ownership of all or part of a water right record on file with IDWR. Section 42-1409(6) provides that new property owners must notify IDWR of any change in ownership of a water right during an adjudication of water rights. Required claims may be filed by a new owner.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. Please contact your nearest IDWR office, or call 1-800-451-4129, if you would like more information or need help completing this form. Please attach additional sheets to the form if you require additional space to describe or explain any of the items on the form.

1. If there are water rights associated with the property, the seller should be able to provide you with the water right or adjudication claim number(s). Please enter these number(s) at **Item 1**. If you or the seller believes there are water rights for the property but the numbers are unknown, you may wish to contact IDWR for assistance in identifying the water rights for the property in question. If claims for the rights are required, and have not been filed, IDWR will so advise you.
2. The information described at **Item 2** is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. Do not obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner of the water right and/or adjudication claim at **Item 3**.
4. The name, mailing address, and telephone number of the new owner(s) is entered at **Item 4**. Please indicate the relationship between multiple owners by using the connector 'and', 'or', or 'and/or'. If an 'and' is used, all parties must sign this form. If an 'and/or' or 'or' is used, all parties may sign. However, only one of the named parties is required to sign.
5. At **Item 5**, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.
6. You may be purchasing only a portion of the total water right held by the seller. This means the water right held by the seller may be "split" to provide your share of the right in question. Be sure to include a description of the portion of the water right you have purchased at **Item 6**.

Please provide as much detail as possible concerning your water right: include the number of homes, irrigated acreage if more than 1/2 acre is irrigated, type and number of stock if your right is for stockwater, etc. In the absence of information to the contrary, IDWR will assume the intent is to split the rights *proportionately*.

7. The new owner(s) must sign the form in the space(s) provided at **Item 7**. Corporations and other organizations must submit a list of directors or officers demonstrating the authority of the director or officer to sign the form.
8. There is no filing fee. When complete, you should retain a copy and return the original of the form to the IDWR office nearest you:

**ORDER GRANTING CONDITIONAL  
WITHDRAWAL OF MOTION TO FILE  
LATE OBJECTION AND NOTICE OF  
STATUS CONFERENCE ON  
CONDITIONAL WITHDRAWAL**

An objection was lodged with the Court by Gurnsey Investments, Ltd. ("Objector") In the above-captioned subcases on April 19, 2002. Because the objection period had expired the matter was treated a motion to file a late objection. A hearing was set for the motion on August 1, 2002. Prior to the time set for hearing, the Court received correspondence on behalf of Objector, requesting a conditional withdrawal on the motion. At the hearing, it was represented that an application for a wastewater permit had been filed with the Idaho Department of Water Resources and that if the permit was issued the Objector no longer intended to proceed with the objection. On the record this Special Master granted a conditional withdrawal of the motion to file a late objection and continued the matter for a sufficient period of time to allow for the issuance of the permit. At the time the permit is issued it is the intent of this Special Master to dismiss the motion.

THEREFORE, based on the foregoing, IT IS ORDERED, that the motion for conditional dismissal of the motion to file late objection is granted.

IT IS FURTHER ORDERED, that the matter is continued until March 3, 2003. Notice is hereby given that a status conference on the matter will be heard **March 3, 2003, at 9:00 a.m., at the SRBA Courthouse, 253 Third Avenue North, Twin Falls, Idaho.**

**on objections filed April 17/18 2002 by Gurnsey Investments, Ltd. an**  
**Idaho Limited Partnership Vern L. Gurnsey, general partner:**

**In light of recent meetings with IDWR personnel, Mr. Baxter, & Mr. Howerton, in which they stated a firm "no split" Department position relative to the 1977/1986 adjudication decree, and the current "Director's recommendation "on the abovementioned cases, coupled with our late claim; we must rest our objections for the present.**

**The expense of litigation, time, and travel requirements would make the small possibility of an amended recommendation prohibitive at this time.**

**We do, however, ask for consideration in any future adjustments or amendments which would make our claim possible for merit because of the following consideration.:**

**There are not 147 acres of irrigable land east of Highway 55 as stated in the right of the SE1/4 of Sec. 27, Twp.17 N, Range 3 E. If our land west of the highway were included, the 147 acres would be more nearly correct. Our basis of claim would be based on subtractions as follow:**

**The SE1/4 quarter section should and does encompass 160 acres by original survey.**

**Other ownerships west of and including Highway 55, are:**

|                                                     |                       |

| <b>Scott &amp; Donna Kiethly</b>                    | <b>2.2 acres</b>      |
| <b>Gurnsey Investments</b>                          | <b>12,664 acres</b>   |
| <b>State of Idaho storage site &amp; Highway 55</b> | <b>6.0 plus acres</b> |

---

|                        |                          |
|------------------------|--------------------------|
| <b>Total west side</b> | <b>20.864 plus acres</b> |
|------------------------|--------------------------|

To save time and expense for the State IDWR, Court, and ourselves, we are therefore filing for a "Waste water permit" to serve our old existing ditches on an interim basis so as to provide stock water and minimal irrigation. We further understand that under the proposed permit/future right, we cannot "demand" water delivery, but neither can another agent block the access --, currently by a culvert under Highway 55, to the existing source point.

Sincerely,  
Gurnsey Investments, Ltd.

**April 17, 2002**

**To Whom It May Concern:**

Gurnsey Investments, Ltd. is a limited partnership with Vern L. & Kathleen Wallace Gurnsey as general partners and their children, Kristina G. Johnson, Steven D. Gurnsey, and Scott T. Gurnsey as the primary limited partners with units of ownership gifted by their parents as general partners.

Part of the assets of Gurnsey Investments, Ltd. is situated in the W 1/2 of the SE 1/4 of Section 27, Township 17 North, Range 3 East, Boise Meridian, consisting of approximately 12.66 acres lying West of Highway 55 in Valley County, Idaho.

This property (known as the Wood's Place) was originally owned by Henry and Bette Nortune (Kathleen Gurnsey's aunt and uncle. Our family purchased this piece of land from the Nortunes on 10/18/88 and later on 7/24/95 deeded it to the above named general partnership.

Part of the property now owned by Gurnsey Investments, Ltd. has been historically irrigated with the remainder of the SE 1/4 of Section 27 via a culvert under Highway 55 as shown on the enclosed sketch map or adjacent owners and ditches.

Under water rights #65-3160 and #6-3161 this property and the portion of the SE 1/4 of Sec. 27, T. 17N., R 3E has been irrigated since 1909. These two water rights cover 147 acres.

Simply stated, with Highway 55, the other adjacent land not owned by Mr. Bettis consists of approximately 23-24 acres. If the quarter section consists of 160 acres, and the non-irrigated portions of the W 1/2 SE 1/4, Sec.27 are subtracted, the 147 acres claimed by these two water rights must include our irrigated properties in the Quarter section—Hence the "objection", and our request to solidify whatever rights Gurnsey Investments should entail.

Since we are such a small portion of the overall rights enumerated, I hope this can be settled in a speedy and inexpensive manner. Thanks for any help.

Sincerely,

Vern L. Gurnsey, General Partner

Dear Mr. Cruickshank:

As we discussed during your visit to my office on March 1, 1994, I am sending this letter to you to summarize the actions I have taken on the above-referenced claims.

You listed a number of claims which required a change of address, due to changes made by the McCall post office. Since I failed to obtain a signed request from you for these address changes, the data base has been updated in an incomplete manner. For this reason I have attached a listing of those claims. Please review, sign, and return this document to complete the address change.

Claim numbers A65-02942 and A65-02958 are the two claims that I mentioned to you which, due to a computer limitation during the claims taking process, did not record all of the acres decreed to those rights during the Payette River Adjudication. I have amended the claims to include these additional acres. Please review these claims, add your notarized signature, and return them to this office to my attention. No fees are required.

Claim number A65-09666 has been changed to reflect new ownership, based on the tax receipts that you provided to me. A copy of the claim and a copy of the change in ownership form are enclosed with this letter.

Claim number A65-03333, which you informed me has been sold to the Idaho Transportation Department (State Highways), will be changed to reflect the change in ownership as soon as ITD provides additional documentation.

**MICROFILMED**  
**OCT 18 1996**

The claims listed below are filed in the names of James L. Cruickshank Trust, or Jarvie/Nasi. I am unable to change the ownership on these claims. The tax notices that you provided to me are for property in Twp. 17N, Rge. 03E, sections 27, 34, 35, and 36, and Twp. 16N, Rge. 03E, Section 2. The claims referenced below are all in Twp. 17N, Rge. 03E, section 10. In order to change ownership on these claims, please provide documentation that supports your ownership of the appurtenant lands. Please send this documentation to my attention along with the enclosed change of ownership form. The claim numbers are as follows:

|            |           |           |            |
|------------|-----------|-----------|------------|
| A65-02340B | A65-03154 | A65-03155 | A65-03158B |
| A65-03159B | A65-03160 | A65-03161 |            |

In conclusion, the following needs to be returned to this office:

1. Signed list of claims which require a change in address.
2. Documentation of ownership for the claims in Twp. 17N, Rge. 03E, section 10, and a signed Change of Ownership form.
3. Signed and notarized amended claim numbers A65-02942 and A65-02958.

If I have missed any of your claims, or have misinterpreted your intentions, please do not hesitate to contact me. I will also be happy to address any questions or concerns that you have.

Sincerely,

Maria Minicucci

PURSUANT TO I.R.C.P. 54(b)

*Helmuth Kolzig*

The foregoing Stipulation, of Lake Irrigation District, Edward A. Cruzen and the Department of Water Resources, having come duly and regularly before the Court and good cause appearing therefore,

IT IS ORDERED AND DECREED that the water rights, priority dates, uses, periods of use, quantification of rights, diversion points, places of use and basis of claim identified in Exhibit A attached hereto and incorporated herein by reference are adopted by this Court, and the Proposed Finding of Water Rights in the Payette River Drainage Basin (hereinafter "Proposed Finding") shall be amended accordingly. Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at [www.idwr.state.id.us/info/water/srba/forms.htm](http://www.idwr.state.id.us/info/water/srba/forms.htm) or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.  
Adjudication Bureau Chief
