INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. Section 42-248 requires certain property holders to notify the Department of Water Resources (IDWR) of any change in mailing address or ownership of all or part of a water right record on file with IDWR. Section 42-1409(6) provides that new property owners must notify IDWR of any change in ownership of a water right during an adjudication of water rights. Required claims may be filed by a new owner.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. Please contact your nearest IDWR office, or call 1-800-451-4129, if you would like more information or need help completing this form. Please attach additional sheets to the form if you require additional space to describe or explain any of the items on the form.

1. If there are water rights associated with the property, the seller should be able to provide you with the water right or adjudication claim number(s). Please enter these number(s) at **Item 1**. If you or the seller believes there are water rights for the property but the numbers are unknown, you may wish to contact IDWR for assistance in identifying the water rights for the property in question. If claims for the rights are required, and have not been filed, IDWR will so advise you.
2. The information described at **Item 2** is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. Do not obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner of the water right and/or adjudication claim at **Item 3**.
4. The name, mailing address, and telephone number of the new owner(s) is entered at **Item 4**. Please indicate the relationship between multiple owners by using the connector 'and', 'or', or 'and/or'. If an 'and' is used, all parties must sign this form. If an 'and/or' or 'or' is used, all parties may sign. However, only one of the named parties is required to sign.
5. At **Item 5**, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.
6. You may be purchasing only a portion of the total water right held by the seller. This means the water right held by the seller may be "split" to provide your share of the right in question. Be sure to include a description of the portion of the water right you have purchased at **Item 6**.

Please provide as much detail as possible concerning your water right: include the number of homes, irrigated acreage if more than 1/2 acre is irrigated, type and number of stock if your right is for stockwater, etc. In the absence of information to the contrary, IDWR will assume the intent is to split the rights *proportionately*.

7. The new owner(s) must sign the form in the space(s) provided at **Item 7**. Corporations and other organizations must submit a list of directors or officers demonstrating the authority of the director or officer to sign the form.
8. There is no filing fee. When complete, you should retain a copy and return the original of the form to the IDWR office nearest you:

Governor

KARL J. DREHER
Director

Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.

Dear Mr. Cruickshank:

As we discussed during your visit to my office on March 1, 1994, I am sending this letter to you to summarize the actions I have taken on the above-referenced claims.

You listed a number of claims which required a change of address, due to changes made by the McCall post office. Since I failed to obtain a signed request from you for these address changes, the data base has been updated in an incomplete manner. For this reason I have attached a listing of those claims. Please review, sign, and return this document to complete the address change.

Claim numbers A65-02942 and A65-02958 are the two claims that I mentioned to you which, due to a computer limitation during the claims taking process, did not record all of the acres decreed to those rights during the Payette River Adjudication. I have amended the claims to include these additional acres. Please review these claims, add your notarized signature, and return them to this office to my attention. No fees are required.

Claim number A65-09666 has been changed to reflect new ownership, based on the tax receipts that you provided to me. A copy of the claim and a copy of the change in ownership form are enclosed with this letter.

Claim number A65-03333, which you informed me has been sold to the Idaho Transportation Department (State Highways), will be changed to reflect the change in ownership as soon as ITD provides additional documentation.

MICROFILMED
OCT 18 1996

The claims listed below are filed in the names of James L. Cruickshank Trust, or Jarvie/Nasi. I am unable to change the ownership on these claims. The tax notices that you provided to me are for property in Twp. 17N, Rge. 03E, sections 27, 34, 35, and 36, and Twp. 16N, Rge. 03E, Section 2. The claims referenced below are all in Twp. 17N, Rge. 03E, section 10. In order to change ownership on these claims, please provide documentation that supports your ownership of the appurtenant lands. Please send this documentation to my attention along with the enclosed change of ownership form. The claim numbers are as follows:

A65-02340B	A65-03154	A65-03155	A65-03158B
A65-03159B	A65-03160	A65-03161	

In conclusion, the following needs to be returned to this office:

1. Signed list of claims which require a change in address.
2. Documentation of ownership for the claims in Twp. 17N, Rge. 03E, section 10, and a signed Change of Ownership form.
3. Signed and notarized amended claim numbers A65-02942 and A65-02958.

If I have missed any of your claims, or have misinterpreted your intentions, please do not hesitate to contact me. I will also be happy to address any questions or concerns that you have.

Sincerely,

Maria Minicucci
Water Agent, Adjudication Bureau

The foregoing Stipulation, of Lake Irrigation District, Edward A. Cruzen and the Department of Water Resources, having come duly and regularly before the Court and good cause appearing therefore,

IT IS ORDERED AND DECREED that the water rights, priority dates, uses, periods of use, quantification of rights, diversion points, places of use and basis of claim identified in Exhibit A attached hereto and incorporated herein by reference are adopted by this Court, and the Proposed Finding of Water Rights in the Payette River Drainage Basin (hereinafter "Proposed Finding") shall be amended accordingly. Some of the rights listed in Exhibit A were previously decreed by the court in its judgment of January 21, 1986. They are included here to provide a complete listing of all rights on Lake Fork Creek. IT IS FURTHER ORDERED AND DECREED that for purposes of operating Water District 65K, reference may be made to the decree of Paul Michelson et al v. M. H.
