DIRK KEMPTHORNE
Governor

KARL J. DREHER
Director

Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.

54(b) I.R.C.P.

The report of the Director of the Idaho Department of Water Resources (Director herein) entitled PROPOSED FINDING OF WATER RIGHTS IN THE PAYETTE RIVER DRAINAGE BASIN (PROPOSED FINDING herein) was filed with this court on April 26, 1979. 1. ORDER CONFORMING PROPOSED FINDING OF WATER RIGHTS TO UNCONTESTED OBJECTIONS - filed September 26, 1979;
2. ORDER (Orville Jackson) - filed February 26, 1982;

FINDING OF WATER RIGHTS - filed September 28, 1979;

2. ORDER CORRECTING CLERICAL ERRORS - filed November
25, 1985.

This partial decree does not include any of the
PROPOSED FINDING which is still involved in unresolved objections.
The attached Exhibit A lists the water rights which are
not included in the partial decree because they are involved in

unresolved objections. The reserved water right claims of the United States Department of Agriculture, Forest Service, are also not included because they are currently the object of negotiations between the State of Idaho and the United States. Those reserved right claims are listed in Exhibit B. In addition, those water rights which were part of the court decision in Branson v. Miracle, 107 Idaho 221 (1984), are not included in this partial decree.

IT IS HEREBY ORDERED, ADJUDGED and DECREED, that the water rights of the Payette River Drainage Basin with the exceptions noted above are as described in the PROPOSED FINDING, as amended by:
