DIRK KEMPTHORNE
Governor

KARL J. DREHER
Director

Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. To have a timely filing you must file this claim with IDWR by May 25, 2001. IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.
Adjudication Bureau Chief

State Water Resource,

Thank you for extending filing forms. We really appreciate this consideration. I believe this is in order & I've signed the forms & stored them.

The #65-0700 claim is a Spring that runs into the 17 acres of the Pump Place. The County has a 1 inch galvanized pipe in the hillside across the highway. This Water runs into our field where we ditch it to the river. If we don't it causes a real swamp for the cows herd. It's the only source of water later in August to this 17 acres for livestock.

It's been used for 20 yrs now - Since 19~~65~~⁷⁰ this way. The Spring runs 36 gal. per min.

Dear Mrs. Potter:

In response to your letter dated April 25, 1989 attached is Notice of Claim forms for your Payette River Adjudication decreed water rights #A65-11236, #A65-03226, #A65-03231X, #A65-03232, #A65-03235, #A65-09347, and #A65-03236X for Boise County. The original attempt to provide you with these claim forms was postmarked March 9, 1989 and mailed to you at Rt. 1, Melba, ID. Instructions are also enclosed instructing you to verify the information on the enclosed claims. If these claims are correct they should be signed, notarized and returned to this office.

Your claim #65-07600, which you filed in the earlier Payette River Basin Adjudication, was based upon a permit issued by this department. It appears the permit was allowed to lapse for failure to submit proof of beneficial use to this department. If the water used described by the permit has been developed, please contact Mr. Tim Luke, IDWR at the above address or call him at #208 327-7900 for the proper procedure and forms needed to establish a water right for this use.

Therefore, this letter is an extension of time for the filing of the referenced Notice of Claims to a Water Right. The original filing deadline for Boise County is May 19, 1989. This extension is granted until June 5, 1989. This extension is granted under the authority of §42-1409 (10), Idaho Code.

Yours truly,

David B. Shaw
