Dear Sirs:

I have reviewed the information sent to me regarding the domestic water right for our Lowman property; Right #65-17974.

Everything appears all right except the parcel number is for a 40 acre piece of property across the river. The correct Parcel number to go with this Right is RP012010020260A.

(T9NR9E Bransons Eight Mile Sub. Blk 2, Lot 26, Sec. 17) I hope I didn't put the wrong parcel number on my surface water application for the 40 acre parcel.

In addition, please change your records to show our new address:
