RE: Snake River Basin Adjudication (SRBA)

Dear Claimant:

This office is presently processing the Notices of Claim to a Water Right you submitted during the Snake River Basin Adjudication claims filing in your area. However, due to the following item(s) we are unable to process your claims.

Enclosed are summary reports of the decreed water rights which you identified as your basis of claims. If you wish to use these rights as your basis of claim, the elements on the claim should correspond to the elements of the decreed right. You have claimed points of diversion and places of use (Items 6 and 10) differently than decreed. If you wish to claim the rights without describing corresponding elements, a \$25 filing fee for each claim is required. It appears that you met with a department employee at the time of filing; if the legal descriptions were changed due to errors in the original decreed rights, a fee is still due. The claim is exempt from fees only if the claim describes the right as decreed.

If you wish to claim the water right as decreed, please line through the information which does not correspond to the decreed right and/or modify the claim as necessary, initial the changes and return to this office for processing. If you wish to claim the water right as shown presently, you will need to submit a fee of \$25 with each claim and we will process the claims. Please be aware that it is likely that the portion exceeding the decreed right will be recommended to the court to be disallowed.

Please complete these changes and return the necessary documents to this office within 30 days from the date of this letter. If the claim or fee requested is not received within this 30-day period, the claim will be rejected and fees, if paid previously, will be refunded. Please do not hesitate to contact this office if you have any questions or need assistance. If the claim is rejected and fees refunded, due to no response within the 30 days, the claim can be resubmitted up until claims in this area are prepared for court decree. However, a late fee may be due at that time in addition to any other required fees.

Respectfully,

Helen L. Thornton
