NOTES

- 1.) This Recorder's plat and the Bureau of Land Management Section 13 are contingent upon acceptance of the Bureau of Land Management survey by the "Office of the Surveyor General, Washington D.C."
- 2.) Property lines are to the centerline of adjacent private roads with rights of way to the public. No roadway may be closed or gated to prevent access to any lands. This is to allow emergency vehicles unrestricted passage.
- 3.) Due to dead conflicts, possession and apparent acceptance of property lines by contiguous property owners were held as paramount, where possession limits are found to be modified by monumentation or to appear greatly in conflict with deed calls or apparent intent; said calls and apparent intent of past surveys, etc. were used to establish property lines.

INSTRUCTIONS

This form has been prepared to assist new owners of property to comply with the requirements of Sections 42-248 and 42-1409(6), Idaho Code. Section 42-248 requires certain property holders to notify the Department of Water Resources (IDWR) of any change in mailing address or ownership of all or part of a water right record on file with IDWR. Section 42-1409(6) provides that new property owners must notify IDWR of any change in ownership of a water right during an adjudication of water rights. Required claims may be filed by a new owner.

Separate brochures are available from IDWR describing the adjudication of water rights and the requirement to notify IDWR of changes in ownership. Please contact your nearest IDWR office, or call 1-800-451-4129, if you would like more information or need help completing this form. Please attach additional sheets to the form if you require additional space to describe or explain any of the items on the form.

1. If there are water rights associated with the property, the seller should be able to provide you with the water right or adjudication claim number(s). Please enter these number(s) at Item 1. If you or the seller believes there are water rights for the property but the numbers are unknown, you may wish to contact IDWR for assistance in identifying the water rights for the property in question. If claims for the rights are required, and have not been filed, IDWR will so advise you.
2. The information described at Item 2 is required, since IDWR cannot process the requested change without documentation of ownership. The preferred types of documentation are shown; contact IDWR if you have difficulty obtaining this information. Do not obtain a new survey for purposes of this form before contacting IDWR.
3. Please provide the name and address of the former owner of the water right and/or adjudication claim at Item 3.
4. The name, mailing address, and telephone number of the new owner(s) is entered at Item 4. Please indicate the relationship between multiple owners by using the connector 'and', 'or', or 'and/or'. If an 'and' is used, all parties must sign this form. If an 'and/or' or 'or' is used, all parties may sign. However, only one of the named parties is required to sign.
5. At Item 5, please provide the date the property in question was acquired. This may be the date of "closing" in the case of a real estate transaction or the date of court order for other types of ownership changes.
6. You may be purchasing only a portion of the total water right held by the seller. This means the water right held by the seller may be "split" to provide your share of the right in question. Be sure to include a description of the portion of the water right you have purchased at Item 6.

Please provide as much detail as possible concerning your portion of the water right: include the number of homes you acquired, number of acres irrigated with your portion of the right, if it is more than 1/2 acre, type and number of stock if your portion of the right includes stockwater, etc. In the absence of information to the contrary, IDWR will assume the intent is to split the rights *proportionately*.

7. The new owner(s) must sign the form in the space(s) provided at Item 7. Corporations and other organizations must submit a list of directors or officers demonstrating the authority of the director or officer to sign the form.
8. There is no filing fee. When complete, you should retain a copy and return the original of the form to the IDWR office nearest you:

ATTACHED IS THE REFUND PKG I ASKED LORI HARRIS TO RETURN.

IN READING THRU THE PAPERS, IT APPEARS THAT THEY PAID \$50.00 LATE FEES, PER DON'S INSTRUCTIONS TO DEBBIE ALLEN TO MODIFY REC'TS, AND THIS STUFF CAN JUST BE RE-FILED AT WESTERN IN THE CLAIM FILE.

RIGHT? IF SO, I'LL ADJUST REFUND LOG TO SHOW REFUND CANCELLED, AND PUT A SHORT NOTE UNDERNEATH ENTRY AND RETURN PAPERS TO LORI.

RE: Mr. Hammond was in this morning wondering "where his \$35⁰⁰ is that this nice lady told him he should receive in the mail in a few wks."

Presented to him he may be due a refund if the extension request is approved. \$25⁰⁰

Boise Co. deemed st. due 5/19/89.

He submitted \$25⁰⁰ on 6/27/89. Nothing else.

Sent a letter to him 2/2/90.

He came in 6/7/90 and spoke to a nice lady. Claim A65-03560 received, receipted X99999 and he was sent on his way thinking everything is fine. See memo dated 6/7/90

Letter sent 9/6/90 indicating extension request required.

A very nice gentleman who probably will pay additional \$25⁰⁰ if extension denied.

Note for field spm.

i.e. Mr. Hammond indicated he has never irrigated any acreage and will not from the spring. (not enough water in average year to even supply Dom. use)

RE: Snake River Basin Adjudication (SRBA)
Ada County - Notice of Claim #A65-03560
Receipt #C007835

Dear Mr. & Mrs. Hammond:

In the final processing of your claim, it has been noted that we need you to fill out a Request for Extension of Time form (enclosed). Your claim was initially due on May 19, 1989. Upon sending our letter of February 2, 1990, a response was not received until June 7, 1990. The statutes impose late fees to encourage prompt filing of claims. On the Request for Extension, you might cite our delays in contacting you as well as our neglect in mentioning the possibility of late fees if the claim was not returned in 30 days.

I have enclosed a copy of your claim for your files, in the event you do not have one. Please return the Extension Request within 30 days, and we can finally wrap this up.

Thank you for your patience.

Sincerely,

John D. Carlson
Adjudication Supervisor

RE: Snake River Basin Adjudication (SRBA)
Receipt of Fees

Dear Mr. Hammond:

Enclosed please find a receipt for check number 1644, in the amount of \$25.00, which we received from you in June, 1989.

We have been unable locate any paperwork which will identify to what these fees will apply. If the fees are for filing a Notice of Claim to a Water Right in the Snake River Basin Adjudication, we need you to complete the correct form. We have enclosed a form for you to use if you are filing on a domestic well. Please review the enclosed information to determine what, if any, claim you need to be filing. If you determine that there is nothing to file, you will need to request a refund (a form is enclosed for your possible use).

If you did file a Notice of Claim which has inadvertently been mislaid, please forward a copy to this office and we will process the Notice of Claim.

Please do not hesitate to contact this office if you have any questions or need assistance.

Sincerely,

Helen Harrington-Thornton

KARL J. DREHER
Director

Dear Basin 65 water user:

This letter is to inform you that you may be eligible to file a stockwater claim with the Idaho Department of Water Resources (IDWR) in connection with the Snake River Basin Adjudication (SRBA). IDWR is sending this letter to water users in Basin 65 who might have relied upon the non-irrigation season stockwater provision in the Payette Adjudication. This provision states:

"When stockwater is not a specifically mentioned use for a right that includes irrigation, a reasonable flow is implied and included for the watering of livestock during the non-irrigation season."

In another basin, the Idaho Supreme Court struck down general provisions that contained similar language. The non-irrigation season stockwater language quoted above was not included in the General Provisions for Basin 65 because of the Idaho Supreme Court's ruling.

IDWR recognizes that in reliance on the non-irrigation season stockwater language in the Payette Adjudication, water users might not have filed stockwater claims in the SRBA to cover the non-irrigation season period. Individuals who historically watered livestock during the non-irrigation season without a separate stockwater claim might desire to file a new stockwater claim with IDWR.

To be eligible for a new non-irrigation season stockwater claim:

1. You must have actually and historically watered livestock during the non-irrigation season without a separate stockwater right.
2. You must have filed a surface water irrigation claim in both the Payette Adjudication and the SRBA.
3. You must not have filed a stockwater claim with the surface water irrigation claim.

If you meet these three requirements, you may file a Notice of Claim form for stockwater with IDWR. **To have a timely filing you must file this claim with IDWR by May 25, 2001.** IDWR will waive filing fees for these stockwater claims if filed before this deadline. Failure to file your claim in a timely manner may prevent you from claiming it in the future. Notice of Claim forms are available on IDWR's website at www.idwr.state.id.us/info/water/srba/forms.htm or from any IDWR office. Claimants can call IDWR, Western Region at (208) 334-2190 to make an appointment if they need assistance filling out a Notice of Claim form.

Sincerely,

David R. Tuthill, Jr., P.E.
Adjudication Bureau Chief
